Nima Bagheri

FULL-STACK DEVELOPER / AI VIDEO CREATOR / GRAPHIC DESIGNER

PROFILE

Multidisciplinary digital creator combining software engineering, visual storytelling and generative AI. I build responsive, scalable digital products and create platform-ready campaigns through a structured workflow—from concept and design to development, production and final delivery.

EXPERIENCE

● AI Content Creator, Video Editor & Graphic Designer

CREATIVE PRODUCTION

Planned and produced AI-assisted promotional content for real estate, construction, fashion, product and corporate campaigns. Managed concepts, scripts, visual references, storyboards, prompts, AI scene generation, camera movement, motion graphics, multilingual overlays, sound cleanup, retouching and final edits. Delivered realistic, brand-consistent 9:16 content for Reels and digital advertising.

● Senior Full Stack Developer

HB Real Estate

2025–2026

● Frontend Developer

Freelance & Agency Projects

2024–2025

● Web Developer

Remote Client Projects

2023–2024
