

Nima Bagheri

Full-Stack Developer · AI Content Creator · Video Editor · Graphic Designer

PROFESSIONAL SUMMARY

Multidisciplinary digital creator combining full-stack development, UI/UX design, graphic design, video editing and AI-assisted content production. I build modern digital products and produce platform-ready visual campaigns through a structured end-to-end workflow.

CREATIVE & TECHNICAL SKILLS

AI Video Generation · AI Prompt Engineering · Video Editing · Motion Graphics · Storyboarding · Creative Direction · Camera Movement Design · Image Retouching · Social Media Advertising · Short-Form 9:16 Content · Full-Stack Development · Responsive Web Design · API Development · Database Integration

PROFESSIONAL EXPERIENCE

AI Content Creator, Video Editor & Graphic Designer

Planned and produced AI-assisted promotional content for real estate, construction, fashion, product and corporate campaigns. Managed concept development, scripts, visual references, storyboards, prompt engineering, AI image and video generation, camera movement direction, motion graphics, multilingual text overlays, sound cleanup, image retouching and final editing. Produced platform-optimized vertical videos and advertising visuals for Instagram Reels and digital marketing campaigns while maintaining brand consistency and realistic visual quality.
